DETAILED ACTION

Allowable Subject Matter

1. The following is an Examiner's statement of reasons for allowance:

The prior art of record individually or in combination does not explicitly disclose a data processing apparatus comprising key distribution approval data files containing header data consisting of link count key for designating the number of contents data that should be enciphered by said enciphering keys acquirable based on an enabling key block distribution key enciphering key stored in enabling key blocks, thereby said key distribution approval data files are stored in the memory device. Therefore claims, 1 – 28 are allowed.
